

Draft Agenda
<http://nanomedicine.certh.gr>
General Assembly European Technology Platform Nanomedicine
12 September 2007
Chalkidiki, Greece

- 10:00 Welcome by the host C. Kiparissides
- 10:10 Welcome and introduction (main chairs E. Reinhardt, President and CEO Siemens Medical Solutions and S. Rusckowski, CEO Philips Medical Systems)
- 10:30 ETP Nanomedicine-What has been achieved (U. Faure, European Commission)
- 10:50 Short Presentations (max. 5 min) of the different chair candidates for the next 2 years plus rules for voting (led by vice main chairs P. Smit (Philips Med) and K.-J. Schmitt (Siemens Med) for the following positions:
- 2 ETP Main Chairs
 - 1WG Chair Nanodiagnostics
 - 1WG Chair Regenerative Medicine
 - 1WG Chair Targeted Delivery
 - 1WG Chair Ethics and Societal Issues
 - 1WG Chair Intellectual Property Rights
 - 1WG Chair Regulatory aspects of nanomedicine (new group)
- Voting
- 11:40 Coffee Break
- 12:00 Presentation of the draft workplan of the ETP Nanomedicine for 2007/2008 and discussion (P. Boisseau, CEA)
- 13:30 Lunch
- 14:30 Overcoming obstacles in nanomedicine (M. Eaton, UCB and E. Tognana, Fidia)
- 15:00 Status of the ERA Nanomedicine initiative (P.-N. Lirsac, CEA)
- 15:15 Presentations of national activities and funding programmes for nanomedicine by the national governmental representatives of Austria, Germany and The Netherlands
- 15:45 The ETP on Smart Systems Integration, EpoSS
- 16:05 Coffee Break
- 16:25 The ETP Photonics for the 21st Century, Photonics21
- 16:45 The ETP for Sustainable Chemistry, SusChem
- 17:05 Details on the organisation of the workshops of the different working groups of 13.9.2007 from 9:00 12:00
- 17:15 End of the meeting
- 21:00 Dinner
